WHO IS THIS FOR

If You Know Them — You Are Welcome.

You do not need to be a business consultant or know anything about pharma or clinics. If you have regular contact with pharma firm owners, clinic doctors, or startup founders — your network and your goodwill are all that is needed.

Chartered Accountants

You sit inside your pharma and clinic clients' books every quarter. You already know who needs systems — not just tax filing.

Pharma Distributors and Stockists

You visit firm owners every week. You know exactly which businesses are running without written systems or accountability.

Hospital Admins and Healthcare Professionals

Clinics in your building and network have patient flow and profitability problems. You have the trust to make the introduction.

MBA Alumni and Business Coaches

Founders in your IIM, MBA, or entrepreneurship network need investor-ready consulting before they raise funding.

Co-Working Spaces and Incubators

Your startup members are building on unvalidated assumptions. An introduction to Clarivyn changes that foundation entirely.

Any Business Professional

If you know a pharma owner, clinic doctor, or startup founder and believe Clarivyn can help — you are welcome in the Advisory Circle.

One introduction. One WhatsApp message. One thank-you fee.

No selling. No meetings. No follow-up required from you. Ever.

Three Steps. That Is All.

STEP 1

Join the Circle

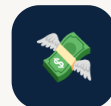

Fill the registration form at clarivynadvisory.com or WhatsApp Jay directly. Free to join. No commitment required from you.

STEP 2

Make the Introduction

Share Jay's contact or Clarivyn's brochure with someone in your network. WhatsApp Jay with their name and number. Your role ends here.

STEP 3

Receive Your Fee

Once they confirm and make their Day 1 investment — Jay WhatsApps you with confirmation and transfers your 10% thank-you fee within 7 working days.

ONE RULE THAT PROTECTS YOU

Always WhatsApp Jay When You Introduce

Before or at the time of introduction — send Jay the person's name and number on WhatsApp. This written record is what protects your thank-you fee.

You Never Need to Sell or Explain

Once you make the introduction — Clarivyn handles everything. The conversation, the audit, the proposal, the engagement. Your name stays professional.

Your thank-you fee is transferred within 7 working days. Always.

PAYMENT METHOD
UPI or Bank Transfer

When you introduce someone to Clarivyn — you are introducing them to a consultant who delivers written proof. Not words. A printed report with real numbers.

Your goodwill is safe. The person you introduce gets real, documented results.

Everything You Need to Know

Q. When exactly do I receive my thank-you fee?

Within 7 working days of the person you introduced completing their Day 1 investment. Jay will WhatsApp you with confirmation of the transfer.

Q. Is there a limit on how many introductions I can make?

No limit at all. Introduce 1 or introduce 100. Every confirmed engagement earns your 10% fee. Fees never expire.

Q. How do I make sure my introduction is recorded?

WhatsApp Jay at +91 99251 96237 with the person's name and number before or at the time of introduction. This written record is what counts.

Q. Do I need to follow up or persuade the person?

No. Your role is the introduction only. Clarivyn handles everything after that — the conversation, the audit, the closing, the engagement.

Q. What if they choose a different package than I expected?

You receive 10% of whatever package they actually choose. If you introduced expecting Starter and they choose Transform — you receive the Transform fee.

Q. Can I introduce a family member or close friend?

Yes. If they are a genuine pharma owner, clinic doctor, or startup founder — they qualify. Your thank-you fee applies exactly the same way.

Q. How is my fee paid to me?

By UPI or bank transfer — whichever you prefer. Jay will confirm your payment details on WhatsApp after you join the Advisory Circle.

Q. Is 10% a permanent rate or a launch offer?

This is a launch offer. All members who join during the launch period will be informed in advance of any future changes to the fee structure.
